- ⇒ Tentative dedication date: Saturday, June 16, 2018

2017 Lutheran Coalition House

Homeowner: The Abeka Family

Hello,

My name is Emmanuel Abeka. I was born in Acura, Ghana. My mother's name is Charity Arku and my father's name is Joseph Abeka. I attended Mamprobi Ebenezer 2 for Primary School and middle school. Then I attended and graduated from Labone Secondary School.

I've lived in the United States for the past 14 years. Within those 14 years, I have spent 8 working for Cobb Galleria Center. Currently, I work for The Georgian Club and Glock Inc. I would also like to note that I have become a U.S. Citizen.

Some of the things I've come to like are sports, most preferably basketball. My favorite team is the Los Angeles Lakers. My favorite player was Kobe Bryant. In my free time I like to watch movies, my favorite genre is action.

I look forward to living in a clean and safe neighborhood, and purchasing a home I can call my own.

Sincerely,
Emmanuel Abeka

Why we build

Experience
the impact of
Habitat's work.

Mike Christian House Leader 2018

2018 is my 28th year working with Habitat for Humanity. As one of the original members of the Catholic Coalition, my wife and I were originally the "in-kind" chair persons for the Riverside Revival project in Marietta which saw the renovation of six houses over two years. After three years as a volunteer, I took the crew leader training in 1996, took over my church's Habitat ministry and became chairperson for the Cobb Catholic Coalition in 2005; I became a House Leader that same year. In 2008, I was named as co-chair of the Construction Committee. Today I serve on the construction advisory committee, head the Catholic Coalition and serve as a House Leader and Crew Leader.

My professional life began in education, first as a high school teacher then working with the state department of education. After eleven years I changed careers, moving first into sales, then sales management. The last 20 years of my work life were spent leading a \$2 billion sales team for Wheels Inc., a commercial fleet management company.
